Party Line Band

Is a fun loving band good ol' rock n roll band influenced by those great songs and artists from the 60's and 70's as well as the Southern Rock sound.

The hard working 5 piece rock band was established in 2009 in the Northwest Arkansas city of Rogers.

The band is comprised of Carrie (Vocals and percussion) Terry (bass and vocals), Rocky (Drums), Joe (Lead Guitar and vocals and Tom (Rhythm guitar and keys). Together they use their passion for music to create a classic sound featuring the songs that many grew up with danced to or even listened to in the back seat of their parents and grandparents.

In the Spring of 2009, the original members of the band laid the foundation of what was to become Party Line. Carrie joined the band in 2012, Terry and Rocky joined in 2018 and Joe in 2019 to finalize the current lineup.

Each new member added something special to the mix needed to become the band we were working to be and allowed us to move to the next level of live music in the very competitive music market of Northwest Arkansas!

Working hard on new songs for gigs, each put in hours of practice in order to bring those skills to rehearsals each week to blend them together as one.

With influences from the Beatles, Rolling stones, Marshall Tucker, Lynyrd Skynyrd, Tom Petty, The Who, Joan Jett, Fleetwood Mac, and Creedence Clearwater Revival, Party Line plays shows that bring back memories for fans of all ages.

Party Line plays an interactive show, with audience participation, stories behind the music and other fun aspects.

Party Line's sound covers hard driving rock sounds like "I Love Rock and Roll" to slow mellow bluesy tunes like "Tennessee Whiskey".

When you come to a Party Line show, you become part of the overall experience!

The Band

Carrie joined Party Line in 2011. Her love of music was first influenced by her father. He had a dance band in the 1970s. Her earliest memories were going to bed at night with the bedroom door rattling while her dad's band practiced in the living room.

Her influences include Bonnie Raitt, Melissa Ethridge, Janis Joplin, Sheryl Crow, Pink, Etta James, Stevie Nicks. Shania Twain, Pat Benetar, Natasha Bedingfield, Nichole Nordeman, and Christina Aguilera and groups like INXS, Heart and Bon Jovi.

A native of Northwest Arkansas, Rocky has been playing drums in the area from the age of 14. After learning to play gospel music in church, he has played country, folk, rock, blues, jazz, and hip-hop.

He enjoys playing anything from a full traditional setup to recently focusing on the cajon, a wooden box which is sat on and played with the hands. Rocky continues to play in local churches and enjoys laying down a deep groove on classic rock or rhythm & blues tunes.

Growing up in Cleveland, Ohio enabled him to have access to major groups, concerts, musicians and musical opportunities during the birth of Rock and Roll.

Groups like the Beatles, Beach Boys, Eagles, music from the Summer Of Love and Woodstock in the Cleveland area and helped form the musical background he now possesses.

Joe started playing guitar at age of 12. His childhood best friend got him started and they had neighborhood "concerts" on his dad's carport... It was a big deal (for kids) to play for neighbors who would bring lawn chairs to the "side yard".

Early influences were Country Music icons Waylon Jennings, Merle Haggard, Alabama, Charlie Daniels and Southern Rock / Classic Rock.

Terry joined Party Line in 2018. While in high school, he played in a combo that backed up the select female singing group that performed all over the area and traveled to Washington DC.

In the late 90's, he started playing every Sunday in contemporary worship services and continues to do so. He retired from Walmart in 2014 and is so happy to be able to play with Party Line.

Sight and Sounds
